ABOUT US

Di tengah dunia yang bergerak begitu cepat, ada hal-hal kecil yang selalu punya tempat di ingatan kita. Dari karakter yang menemani masa kecil, koleksi yang menyimpan cerita, hingga karya yang membangkitkan perasaan familiar, setiap hal memiliki kenangan yang layak untuk dirayakan.

Talesverse hadir sebagai *Memories Market* yang mempertemukan brand, kreator, dan komunitas melalui seni, collectibles, serta berbagai cerita di baliknya. Sebuah ruang untuk bernostalgia, menemukan hal-hal baru, dan menciptakan kenangan yang bisa dibawa pulang.

"Because every little thing holds a story, and every story deserves to be remembered."
